**WALK BEHIND  
SCRUBBER WITH  
ELECTRIC CORD / BATTERY**

## Walk behind Scrubber with Electric Cord / Battery

**RUSTLE®**

- AC supply cabled scrubber
- Transparent hose to check fresh water level
- Equipped with fast handling brush head
- Brush control & contact pressure pressure is adjustable
- Integrated and anti-corrosive aluminum squeeze with pressure adjustment
- Suction motor stops when sewage water tank is full

Curved steel squeegee, no stains or waste water residues after suction

Equipped with fast-handling brush head, the brush can be installed and taken off very quickly and easily

Import floor motor provides stronger cleaning power

The suction motor is placed in the suction system lined with sound-absorbing material. This makes the motor safer and sound level lower

Suction motor auto stops when the sewage tank is full, 50L fresh/sewage water tank can accommodate to large jobs

## TECHNICAL SPECIFICATION

DESCRIPTION	UNIT	VALUE
Voltage	V/AH	220
Scrubbing Width	mm	530
Suction Diameter	mm	770
Area Performance	m <sup>2</sup> /h	2100
No. of Brushes	Units	1
Brush Motor	w	100
Suction Motor	w	800
Water Tank	Fresh   Waste	50 L   55 L
Cord Length	w	15
Dimension (LxWxH)	cm	116x54x160
Weight	kg	175
